Notes: **Fuel 1** At the main base **TT 1 & TT 5** has a real mix of fresh single trail, bulldozed trail, & a fast road section, then finishes dropping off a steep bank - don't turn early

TT 2 & TT 6 fresh single trail through open pines

TT 3 & TT 7 a mix of bulldozed trail & fresh single trail. Spectators can get to start quite easy.

TT 4 & TT 8 nearly all "very fresh" single trail, starts with a steep down hill. Good access for spectators. Downgraded on Friday from ridiculous to only extreme.
