

NZXC RND 2 / SANDPIT 2 MAN SERIES

The second round of the NZXC series was held with the Sandpit 2 Man Series.

I grabbed the holeshot and led the first lap. Liam Draper put some pressure on and took the front position mid second lap. He quickly opened a gap but as I loosened up I closed in again. By the first fuel stop he was back in sight. I put some pressure on for a lap and a half before I made my move back into the lead. Once back up front I worked on opening my own gap. Taking the win with a comfortable margin over Liam and Sam Greenslade in third.
